RICHLAND ACADEMY OF THE ARTS

FALL 2020 SCHEDULE

RICHLAND ACADEMY DANCE COMPANY

The Richland Academy Dance Ensemble is designed as a pre-professional training company. It is divided into four groups based on age and skill: rade, rade jr., radKidz, and radKidz2.

Company members are all required to take a certain amount of classes each week. The amount of weekly training required depends on the dancer's age and level. Dance company members also have more performance opportunities throughout the year. For new students, teachers will invite dancers to try a placement class in order to correctly identify the dancer's level.

There is an annual audition for placement into one of our companies. For information about audition requirements and expectations, please contact the Dance Department Chair Sarah Horrigan-Ramos at shorrigan@richlandacademy.com.
